SELECTMEN'S LETTER

Your Board of Selectmen takes pleasure in submitting the Annual Report of the Town of Newington for the year 1967.

Considerable work was done this year on the town's historic buildings. The Meeting House and Old Parsonage were painted, a new heating system was installed in the Old Town Hall, and the horse sheds behind the Meeting House were completely restored by Mr. Stillman Packard. Some work remains to be done to the interior of the Meeting House but the buildings are generally in excellent condition.

The water line installation in the industrial and commercial zones was completed, as well as a portion of Route 151 in North Newington. Work will continue in South and North Newington as soon as the weather permits.

Last summer swimming lessons were held at Coleman's shore for the children of the town. Sixty-five children between the ages of 5 and 17 years were enrolled, all but 13 of them non-swimmers. After a season of instructions by certified Red Cross instructors, all of the children could swim to varying degrees. The program was an unqualified success and will be continued next summer.

Shortly after town meeting the real estate inventories will again be distributed. This year we are required by law to differentiate between land and buildings when assessing. It is therefore very important that the inventories be returned with sufficient information for us to properly assess them. The information should include location, number and kind of buildings, land area and boundaries, land use, and any other information which you believe will assist us to make a fair assessment of your property. We remind you that the law provides severe penalties for neglecting to file an inventory.

Because of the presidential primary there will be an unusually large number of ballots which must be completely counted before resuming the Town Meeting. It is suggested that the Town Meeting be recessed until 7:30 P.M., Wednesday, March 13, 1968. This must be proposed and voted from the floor on March 12.

A successful cleanup campaign was held last spring for which those who participated are to be congratulated. We plan to hold a similar session this spring and hope that eventually the condition of the town will make an annual cleanup unnecessary.

Respectfully submitted,

PAUL L. de ROCHEMONT, *Chm.*

SYDNEY H. FRINK

LAWRENCE A. VOLZ

PLANNING BOARD REPORT

The Newington Planning Board held twelve regular meetings during the year 1967, three special meetings and four sessions for public hearings.

The Board has been very busy this year, however not with planning new programs for the future, which is our primary purpose, but with the administration and application of the zoning and subdivision regulations which is our secondary function.

Although most of the subdivisions have been simple in nature they do none the less require a great deal of time. This year we have processed and completed four subdivisions and have two subdivisions which are still in process.

In order for a planning board to be fully effective we encourage the citizens to attend our meetings and make constructive suggestions. It is especially important to attend our public hearings so that the board will know what the mind of the people is and thus help us to arrive at a decision that is satisfactory to all parties concerned.

Respectfully submitted,

PAUL KENT, *Chairman*
Newington Planning Board

BOARD OF ADJUSTMENT

The Board of Adjustment held five sessions for public hearings and six meetings during the year 1967. At the organizational meeting John R. Mazeau was chosen to act as chairman and Anne H. Hislop was elected secretary.

February 11, 1967: Variance was granted to Melville Beals in order that he could sell a non-conforming lot of land for a house lot.

April 8, 1967: Variance was granted to Z. Richard Henley to build a sun porch-dining area on rear of house, said addition being too close to property line.

June 3, 1967: Variance granted Mildred Packard to build on non-conforming lot.

June 3, 1967: Variance granted to Edward Therrien to build on non-conforming lot.

November 18, 1967: Variance denied Vernon Beane to build shop with living quarters on land on Old Dover Road.

Respectfully submitted,

JOHN R. MAZEAU, *Chairman*
Board of Adjustment

HIGHWAY DEPARTMENT REPORT

The Highway Department and the Selectmen were very pleased by the immediate and interested response of so many civic minded towns-people to our clean-up program of last spring. As a result, there were some twenty-odd cars and fifteen loads of junk put in Flynn's Gravel Pit and buried. We feel that the program was well worth the expenditure and hope to be able to continue it this year.

In hopes of making Little Bay Road safer for the public we are planning to cut the hill at Smith's corner and will use the resultant material to cover the rubbish that was deposited in Flynn's pit during our clean-up campaign. Also, we are planning to widen Little Bay Road near Pickering's corner, employing any useable material from the excavation for the water line to help defray costs.

Respectfully submitted,

DONALD E. BEALS
Highway Agent

LANGDON LIBRARY REPORT

LANGDON LIBRARY HOURS

Monday - Wednesday - Saturday 2-5 P.M.

Summer hours: Wednesday & Saturday 2-5 P.M.

SOUTH NEWINGTON BRANCH HOURS

Wednesday & Saturday 2-5 P.M.

The 75th annual library report notes an increased use of the available library facilities, — books, magazines, newspapers, pamphlets, records, school film program, Great Bay School books, Day Care Center children's visits, supplemental books from the bookmobile, and books specially ordered for individual borrowers from the State Library.

This has been a busy year for our librarian, Mrs. Marjorie Pickering. We hope the new Borrowers File System instituted in the library this year will prove helpful in handling the ever-increasing number of books in circulation at the library and branch library. She and her assistant librarian, Mrs. Margherita Mazeau, are to be commended for their fine work.

We were saddened by the death of our former trustee and friend, Mrs. Florence Watson, on April 24th. Langdon Library was dear to her heart and she worked diligently to serve its best interests for many years. The Florence C. Watson Memorial Book Fund is a fitting tribute to her memory.

The following is a report on this Fund:

Sixty-one (61) contributions were received from townspeople, friends and relatives who live in N.H., Me., Mass., Vt., R.I., Conn., N.Y., and Hawaii. They amount to a total of \$507.50.

Following is a list of Contributors to the Fund:

Abbott, Helen D.	Lanham, William E.
Beane, Doris	Little, Catherine G.
and Mr. & Mrs. Paul J.	MacLeod, Analesa F. A.
Beard, Hubert K.	Margeson, Henry & Katherine
Belden, Mr. & Mrs. Clifford L.	Matthews, E. Curtis, &
Benson, Mrs. Peter M.	P.H.S. Class of 1905
Bullock, Cecelia	Mawn, Mr. & Mrs. Peter R.
Caldwell, Dr. Marion	Mazeau, John & Margherita, &
Coleman, James, Pat,	Mrs. Jeannette deRochemont
Becky & Charlie	Metcalf, Mr. & Mrs. Charles H.,
Coleman, Mr. & Mrs. Nathaniel	and Mr. & Mrs. H. Felton
Cowles, Charlotte L.	Moulton, Leavitt & Mildred
Davis, Myra L.	Newick, George & Nancy

Dr. Simes T. Hoyt	Wilcox, Mrs. Walter
Johnson, Mrs. Evelyn L.	Y.W.C.A. Supper Club of
Kaddy, Ernest & Lena	Portsmouth
Lamson, Mr. & Mrs. Robert H.	Young, Mrs. Peggy

Our sincere thanks to all who contributed. Credit is due Dorothy Watson, Marjorie Pickering and Margaret Pickering for handling and recording the contributions as they were received.

Mrs. Margaret Pickering, our treasurer, deposited these funds in the Portsmouth Trust Company and received pass-book issued to "Florence C. Watson Memorial Book Fund". When the fund reached \$500, it was transferred to a "5% Interest, 90-day Notice" account. The principal will remain

intact but the interest will be withdrawn and used to purchase suitable Memory books for Florence each year. If any more contributions are received, they will be recorded, acknowledged and added to the fund bank account as received. Her first Memory book "That New England" published by the Yankee Magazine has been dedicated to Florence and is now in the library.

Members of the Women's College Club of Portsmouth donated a Memory book to Florence C. Watson, too. It is "A Treasury of New England Folklore" and we thank them for it.

Our thanks also to the donors of the other 6 Memory books received: 3 books from Doris and Mr. & Mrs. Paul Beane in memory of James Coleman, Percy deRochemont and Laura Frink. Another book from Doris Beane in memory of J. Benton Hoyt; from Eva & Gordon Reed a book in memory of Laura Frink; from Mr. & Mrs. John Thomas a book in memory of James Coleman.

Also thanks for the gift of many useful books and magazines from Janet Duggan, Margaret Frysalis, D. R. Hull, Lena Kaddy, Mr. & Mrs. N. Myers, Eva Reed, Mr. & Mrs. D. Russell, Mr. & Mrs. C. Sewell, Susan Sewell, and Marion Spinney. When you wish help in choosing a suitable Memory book, the librarian is prepared to offer you her assistance.

New books accessioned this year total 355: — 200 Adult and 155 Juvenile.

We now have a "Phonograph Collection of 175 records. These records are loaned on the same basis as books.

Six new chairs were added to the Children's room; the old floor mats were replaced with new ones; we now have an adding machine, typewriter and table, and a comfortable desk-chair to expedite the library work efficiently.

Last year's heavy snow and ice damaged the library building and gutters. The roof leaked and caused water damage to ceiling and wall in the Front entry. We had this leak-spot in the roof repaired by Stillman Packard; other very necessary repair work on the library building was recommended to prevent further deterioration of the building. We hope to receive adequate Town funds to keep it in good repair, — it is a Town building in which we should take great pride.

Thanks again to Warren Witham for planting and taking such good care of our urn.

May many hours of reading pleasure be yours in the year ahead.

Respectfully submitted,

FRANCES HEAVNER
MARGARET PICKERING
GEORGE NEWICK

Trustees

THE OLD PARSONAGE - 1699

The Old Parsonage, owned by the Town and leased by the Newington Historical Society, was open to the public as usual on Memorial Day. On August 27, an Open House was held.

The Historical Society is in the process of reorganization. All our citizens are urged to join and participate in the restoration and preservation of the Old Parsonage. Your assistance in historical research will help to preserve our Newington heritage.

In the passing of Florence Coleman Watson, the president of the Newington Historical Society, the Community has lost a valuable friend. Her unlimited knowledge of Town

history was an invaluable aid to the citizens of Newington and others interested in research who sought her help. Florence is greatly missed.

The Historical Society wishes to extend thanks to the Selectmen for the painting of the Old Parsonage. This adds much to the attractiveness of the building and surroundings.

Respectfully submitted,

MARGARET PICKERING

Treasurer

Newington Historical Society

TOWN WARRANT

TOWN WARRANT

STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Newington in the County of Rockingham and said State qualified to vote in town affairs:

You are hereby notified to meet at the Newington Civic Center in said Town on Tuesday, the 12th day of March next, 1968, at Ten O'Clock A.M. to act upon Article 1.

The polls will open at Ten O'Clock A. M. and unless extended by vote at the meeting will close at Six O'Clock P.M.

Due to the large number of ballots which must be completely counted before resuming action on ensuing articles it is suggested that town meeting be recessed until Wednesday, March 13, 1968 at 7:30 P. M. This must be proposed and voted from the floor.

1. To choose in the manner provided by law 1 selectman for a term of 3 years; 3 members of the budget committee for terms of 3 years; 1 member of the budget committee for a term of 2 years; 1 trustee of trust funds for a term of 3 years; 1 library trustee to hold office for 3 years; 1 member of the cemetery committee for 1 year; 1 member of cemetery committee for 3 years; a town clerk, collector of taxes; town treasurer, highway agent, overseers of the poor, auditors, chief of police, measurers of wood, surveyors of lumber, fence viewers, pound keeper, building inspector and all other necessary town officials for the ensuing year.
2. To see if the town will vote to leave the care and maintenance of town lands and buildings to the discretion of the selectmen.
3. To see if the town will vote to authorize the selectmen to administer or dispose of any real estate acquired or to be acquired by the town through tax collector's deeds.
4. To see if the town will vote to authorize the selectmen to hire money on the credit of the town in anticipation of taxes at a

rate not to exceed the current bank rate.

5. To see if the town will vote to spend a sum not to exceed \$13,500 from funds authorized under Article 5 of Town Meeting Warrant of March 14, 1967 in the Town of Greenland to extend the water line to the Newington Town line to enable continuance of sequence of phases of water consultant's recommendations.

6. To see if the town will vote to appropriate the sum of \$500 to be set aside as a contingency fund to meet unanticipated expenses of the town in accordance with the authority of New Hampshire Laws 1965:123.

7. To see if the town will vote to authorize the selectmen to accept Coleman Drive as a public road in the Town of Newington.

8. To see if the town will vote to consolidate the offices of selectmen and overseers of the poor.

9. To hear the report of the budget committee and to see what sum of money the town will vote to raise and appropriate for all town expenditures in the year ensuing as included in the budget.

10. To hear the report of the town clerk on the election of town officers.

Given under our Hands and Seal
this 26th Day of February in the
Year of Our Lord One Thousand
Nine Hundred and Sixty-Eight.

POLICE DEPARTMENT REPORT

As can be seen by the summary below, the duties of the police department continue to accelerate and expand in many directions. I'd like to take this opportunity to commend Special Officer Walter Lent for an outstanding performance of duty while I was on leave of absence. Officer Lent, with the able assistance of Special Officers Tom Roy, Peter Yastek and Mel Beals, and the New Hampshire State Police, succeeded in apprehending a burglar at Mars Bargainland who was armed with a cocked and loaded pistol.

Thanks also are extended to Fire Chief William Young for the use of his car for ambulance service on many occasions during the year, to the many other members of the Newington Volunteer Fire Department who responded with the department boat to aid in a search and rescue operation on Great Bay after I had received a call reporting men afloat on an ice floe, and also to the members of the fire department who responded on many occasions to wash down glass and gasoline after automobile accidents. It is cooperation of this sort that makes my work as police chief so very much easier to perform.

Once more we'd like to caution residents not to keep valuables or large sums of money in the home, to keep doors locked when not in residence and to also lock all windows through which illegal entry might be gained. Please notify your police chief if you are leaving your house empty for a long period.

BUILDING INSPECTOR'S REPORT

This is your building inspectors report for the year ending December 31, 1967. Again we can report progress, our shopping centers are filling a great need, and are being well patronized, the T.B.A. Building at J. M. Fields, Inc. has been completed and doing well. The permit for a McDonald Restaurant building at the entrance to the shopping center off Gosling Road, was renewed, the building completed and recently opened, and doing fine, also the permit for a three bay Colonial type service station for Atlantic Richfield Company at the corner of Routes Four and Sixteen and Gosling Road, was renewed, the building completed and recently opened, this brings in more competition.

The two homes that were under construction in last years report have been finished and are occupied, with their owners they are an asset to the town.

Five permits for new homes have been issued during the past year, the first a ranch type is being built on the subdivision off Coleman Drive, and should be ready to occupy in the spring, the second is a Cape Home and is under construction on Little Bay Road, and will be finished at a later date, the third is a ranch type home being built on Newington Road in South Newington, and will be ready to occupy in the early summer, the fourth is a Holiday Mansion Pre-Built ranch type home, located on Carters Lane in Newington, this is occupied, the fifth is an industrial type two story building with living quarters on the second floor for the owners who will be the caretakers and watchman, this building is not started yet, and located on the old Dover Point Road. There have been various jobs of additions and alterations made, such as a Garage and Breezeway, Sun porch dining area, a half bath, shed type stable, numerous signs, various roofs shingled, also buildings side walled, addition of a pole constructed building, moving of several buildings, a trailer brought in to be used as an office, under

ground gasoline tanks installed, several new heating systems and one chimney, also a new entrance for the Flagstones Restaurant.

There are various rumors as to Industries and Commercial enterprises that might locate here in the near future, but up to the present time there has been no contact with the Building Inspector for a permit, been made. I wish at this time to thank every one for their cooperation in complying with our zoning, subdivision and building regulations, also to the Selectmen, to the Board of Adjustment, and Planning Board, for their cooperation in our business dealings, on Town affairs. Let us all in the year ahead forget personalities, and not figure in dollars and cents, but consider it a privilege to comply with our regulations which are so well thought out, for a town the size of Newington. There is a great deal to be done let us get at and do it before it is too late. My respects are extended to the following with whom I have contact, Town Clerk, Secretary, Treasurer, Fire Chief, and Budget Committee.

During the year 1967 Twenty-eight Building permits were issued for a total valuation of \$79,838.00 and following is an itemized listing of all permits.

Respectfully submitted,

MAURICE E. ROBINSON

Building Inspector

ANNUAL REPORT OF THE NEWINGTON VOLUNTEER FIRE DEPARTMENT

It is gratifying indeed to be able to report that you, the people of Newington, have again done an outstanding job in fire prevention throughout the town. It is cooperation like this that makes your fire department's job so much easier.

Yes, we have had many requests for aid during the past year — some minor, a few major emergencies — but no matter what the request your firemen hastily reported to the fire station to cope efficiently with the situation. Our work varied from search and rescue operations on the Bay to firefighting, fire prevention, first aid and resuscitation work and ambulance service. The Newington Volunteer Fire Department has truly become an organization trained to cope with many types of emergencies.

Courses that the firemen have taken this past year included radiological training, first aid, general firefighting instructions and methods of fire prevention. During the Annual Fire Prevention Week open house was held at the fire station so that both parents and children could inspect the equipment and hear explanations and demonstrations about the duties of the firemen. We also assisted the Greenland Fire Department during its fire prevention week program.

As time marches on we find that we must all face some unhappy situations. One such sorrowful event this year was the loss of one of our most willing and cooperative firemen, Ralph Sawyer, a man who was respected and loved by all. Another situation was that the Board of Fire Engineers regretfully accepted the resignation of Harry E. Estey as Assistant Chief due to ill health. Although Harry resigned as an officer he will stay on as a member of the fire department so that we may have the benefit of his knowledge and experience. Harry was one of our original charter members and

has given many years of outstanding service to the Newington Volunteer Fire Department and we extend to him our deepest appreciation for his dedicated services. When Harry was first taken sick the Board of Fire Engineers named Walter H. Pickering, Jr. as Acting Assistant Chief and upon Chief Estey's resignation, Walter was then named Assistant Chief.

We'd like to take this opportunity to again urge you to continue to practice fire prevention every day of the year, and to remember that this is *your* fire department and we are here to assist you in any emergency that might arise.

Respectfully submitted,

WILLIAM J. YOUNG
Fire Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The year of 1967 will go down in history as a wet year although the early spring was dry and windy. During this time, we had many fires, unnecessary fires caused by carelessness and disregard for the common-sense fire laws and regulations. This lack of responsibility on the part of a few people hurts everyone. Let's work together to prevent the start of those unnecessary fires by:

1. No burning between 9:00 A.M. to 5:00 P.M. and then only with a permit from the Forest Fire Warden.
2. Take all debris and waste to the town dump.
3. Keep a clean, safe town dump.
4. Urge close supervision of children in regard to use of matches.

5. Exercise care with smoking material — use the ashtray.

RALPH STEVENS

District Chief

WILLIAM J. YOUNG

Warden

REPORT OF CIVIL DEFENSE DIRECTOR

The Town of Newington has maintained a Civil Defense organization that has been operational throughout the year. However, it seems in this day and age that some organizations really get loaded down with paper work and this is one such organization, but I assure you that all the proper forms have been filed with the state, and through the state with the federal government so we may maintain our good status.

I would like to take this opportunity to commend the welfare committee for the outstanding job it did in establishing and stocking an emergency supply area with adequate food, cots, blankets, etc. At the present time this committee is equipped to care for the needs of sixty individuals for a minimum of three days, and this program will be added to during the year 1968. This supply area may be put into operation in the event of any natural disaster such as severe blizzards, hurricanes, floods, etc., for the Civil Defense Department is not (as many people believe) an organization that operates only when the country is in a state of war, but is an organization that can step into the breach that inevitably occurs during a major emergency which might well over-tax the usual resources of a local community.

Respectfully submitted,

WILLIAM J. YOUNG
Civil Defense Director

DOG OFFICER REPORT

Responded to a total of 43 calls concerning stray dogs, dogs causing a nuisance, etc.

Picked up 26 stray dogs, kept required length of time, found homes for a few, delivered remainder to veterinarian for disposal.

All dogs three months of age and over must be licensed and shall be vaccinated against rabies. Every dog shall be revaccinated at not more than twelve-month intervals. Owners must submit proof of rabies vaccination when obtaining license for dog.

Respectfully submitted,

ERNEST R. KADDY

Dog Officer

CEMETERY COMMITTEE REPORT

The Newington Cemetery Committee held its annual 1967 meeting on Wednesday, December 13, 1967 at 7:00 P.M. at the Civic Center.

The committee reviewed last year's budget items in detail. The routine projects have been acceptably carried out and the committee felt Mr. Moulton is doing a commendable job with special projects underway this year on ground improvement. The chairman has heard many favorable comments from "outsiders" on the condition of the cemetery.

The 1968 budget was discussed item by item and accepted as read. A copy was forwarded to the Board of Selectmen.

Mr. Moulton has continued the mapping project of the Western Division and Western Division Extension and we hope he will continue the same for the Eastern Division. The Chairman felt it might be a 2-3 year program to show ownership of each lot, the location, and perpetual care for the Eastern Division.

Respectfully submitted

DONALD E. BEALS, *Chairman*

DOROTHY M. WATSON, *Sec.*

ERNEST R. KADDY

Cemetery Committee

BOARD OF ADJUSTMENT

The Board of Adjustment held five sessions for public hearings and six meetings during the year 1967. At the organizational meeting John R. Mazeau was chosen to act as chairman and Anne H. Hislop was elected secretary.

February 11, 1967: Variance was granted to Melville Beals in order that he could sell a non-conforming lot of land for a house lot.

April 8, 1967: Variance was granted to Z. Richard Henley to build a sun porch-dining area on rear of house, said addition being too close to property line.

June 3, 1967: Variance granted Mildred Packard to build on non-conforming lot.

June 3, 1967: Variance granted to Edward Therrien to build on non-conforming lot.

November 18, 1967: Variance denied Vernon Beane to build shop with living quarters on land on Old Dover Road.

Respectfully submitted,

JOHN R. MAZEAU, *Chairman*
Board of Adjustment

NEWINGTON SCHOOL DISTRICT SCHOOL WARRANT

The State of New Hampshire

To the inhabitants of the School District in the Town of Newington qualified to vote in district affairs:

You are hereby notified to meet at the Civic Center in said district on the 12th day of March, 1968, from 10:00 a.m. to 6:00 p.m. to act upon the following subjects:

1. To elect a Moderator for the coming year.
2. To elect a Clerk for the ensuing year.
3. To elect a Member of the School Board for the ensuing three years.
4. To elect a Treasurer for the ensuing year.

Given under our hands at said Newington this 9th day of February, 1968.

NEWINGTON SCHOOL WARRANT

To the inhabitants of the School District in the Town of Newington qualified to vote in district affairs:

You are hereby notified to meet at the Civic Center in said district on the 13th day of March, 1968, at 8:30 o'clock in the evening to act upon the following subjects:

1. To hear the report of the school district moderator of the results of the school district election.
2. To determine and appoint the salaries of the school Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
3. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
4. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries for school district officials and agents, and for the payment of the statutory obligations of the district.
6. To see if the district will authorize the school Board to make application for and to receive in the name of the district, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government or any department or agency thereof or from the State of New Hampshire or any department or agency thereof.
7. To see if the school district will accept the provisions of RSA:195-A (as amended) providing for the

establishment of an area school or schools located in Portsmouth, New Hampshire, to serve the following Grades 9 through 12 from the school districts of Greenland, New Castle, Newington, Portsmouth, and Rye in accordance with the provisions of the plan on file with the district clerk.

The above articles if adopted is subject to approval of the State Board of Education.

8. To see if the district will vote to accept the services of a business administrator for Supervisory Union No. 56 as recommended by the Supervisory Union Board in accordance with RSA 186:11, XXX.

Given under our hands at said Newington this 9th day of February, 1968.

REPORT OF THE SCHOOL BOARD 1967 - 1968

The Newington School Board has been able to see most favorable results from the program instigated last year in our elementary school — that is, increase of our teaching staff to four teachers. We have been able to make full advantage of the capabilities of these teachers in the various classes where they were needed, and the students have indeed benefited from the program. The school board is very pleased with the performance of all the personnel and also with the other contractual services performed.

We have been working in conjunction with Portsmouth, Greenland, New Castle and Rye towards establishment of an area school plan in Portsmouth for grades 9 through 12. The voters will be asked to approve this plan by ballot at the 1968 Newington School District meeting. In essence, this plan guarantees that Portsmouth will accept our tuition pupils and we agree to send the tuition pupils to Portsmouth. There will be some financial benefit if state funds ever become available, although the majority of this financial benefit will be to the Portsmouth School System. Your Board has voted its approval of this plan.

During the past year, the School Board found it necessary to change its meeting night. Henceforth, the board will meet the 3rd Monday of each month at 7:30 P.M. at the schoolhouse. These meetings are open to all, and if anyone has suggestions or problems we will be pleased to welcome him to our meetings.

Respectfully submitted,

WILLIAM J. YOUNG, *Chairman*

NEWINGTON SCHOOL DISTRICT Report of the Superintendent of Schools

To the School Board and Citizens of Newington:

The major emphasis within the school this year has been the continued evaluation of the flexible program that we instituted beginning in September, 1966. As I explained in my report to you last year, we have made and I would predict we will make adjustments in terms of pupil and teacher assignments on a continual basis. The reason is simply that, as pupils grow and develop, as teachers change individual needs, skills and abilities must be adjusted to realize the greatest benefit for the pupils.

I am pleased with the results of the program, and I feel we owe our success to the teachers, Mr. Schultz and our new principal, Mr. Michaels. These people have worked long and hard to insure that the expected improvement in the school program become reality. One must understand that, without the cooperation and support of our teachers, no school can make any meaningful change in its program.

This year we have also continued to upgrade our textbooks and resource materials. Presently we are well equipped in these areas, but this is no reason to become complacent since new materials are continually being produced and revised which meant that, unless we keep up, there is the danger of becoming deficient in this one area of the total school program. Most people do not fully comprehend the explosion, so called, of knowledge that has resulted because of technological research and development. This development has produced the need to update our techniques and teaching materials constantly to insure good education.

TEACHING STAFF

The principal of the school this year is Mr. Richard Michaels, a graduate of Plymouth State College with ad-

vanced training at Farmington Teachers College, the University of Illinois, and the University of New Hampshire. He has a strong background in reading with the result that this phase of our program has been enhanced since he has been with us.

Mrs. Lynn E. Moore is a new staff member who has been assigned the major responsibility for Grade 3 and 4. She is a graduate of New England College with advanced courses from Southern Connecticut State College. Mrs. Moore has had two years of prior experience in Connecticut. This young woman is doing a fine job, and we are fortunate to have her as one of our teachers.

To our credit, Mrs. Ann-Marie Crandall and Mrs. Jane Gilbert have returned to our school this year. Each is a competent, devoted teacher, and I am extremely happy to have them in our school working with your children.

The teaching staff is, without exception, an experienced one; not many schools in New Hampshire can make this claim. This staff is working well together as a team; we are indeed fortunate to have these people in the school.

THE BUDGET

Relative to the budget, it seems that I have to write about the same forces affecting the budget each year. Last year I wrote: "Our budget for the next school year has increased due, in part, to the general rise in the cost of living . . ." I repeat that statement this year: costs are up in terms of salaries, books, paper, supplies, and operating costs.

The items that have affected the budget are as follows:

1. Teacher salaries have been raised to maintain a competitive position with the school districts in our geographical area. Teachers are the most important element in the school.
2. The school administrators, teachers, and nurse have

recommended the addition of the services of a speech therapist for the children. Your school board has approved this request. This item is included under Contracted Services for Instruction. This therapist will be secured from the Portsmouth Rehabilitation Clinic.

3. Transportation has increased as the result of negotiations between the transporter and the school board.
4. Employee retirement reflects the salary increases given to staff members and the increase in social security contributions as set by law.
5. Tuition costs are higher based upon the rate set by the receiving school district.

It has been a good year in education for our school. Many are responsible for this situation: The principal, the teachers, the nurse, the ceramics teacher, the writing specialists, our music specialist, and the people in this office. Others who have contributed include the transporter, the custodian, the librarian, the Library Board of Trustees, the Parent-Teachers Association, the town officials, and of course the citizens of Newington.

The school board has been a positive force in the maintenance and improvement of the school program. It has been an extreme pleasure for me to be associated with these gentlemen during this past year.

Respectfully submitted,

ROBERT L. BRUNELLE
Superintendent of Schools

ANNUAL REPORT

Report of the School Nurse

To the Superintendent, School Board and Citizens of Newington:

I hereby submit the annual report of the school health program.

Number of pupils tested

Vision tests	60
Hearing tests	58
Height & Weight	
(3 times per year)	124

Possible difficulties noted

Vision	4
Hearing	2
- 1 rechecked O.K.	
- 1 rechecked O.K.	

Seen or treated by Doctor

Vision	3 - new glasses
Hearing	1 - mother notified
Individual Inspections	189
Home visit or phone calls	12
Pre-school registration	3

Communicable diseases known and reported — none

In May, 1967 55 pupils, 4 teachers and the nurse had Tuberculin skin tests given by Miss Constance Martin of the New Hampshire Tuberculosis and Health Association. These worthwhile tests were at no expense and it might be well to note that the annual sale of seals at Christmas time makes this possible.

The children in our school are in general good health but it has been noted that some need more regular brushing of their teeth. This should be urged by parents.

During the summer, a number of Newington pre-school children were examined for lazy eye at a testing program sponsored by the Portsmouth Lions Club and conducted by the Portsmouth School Nurses, at which I assisted. Every parent should take advantage of these testing programs, when available, for their 3 to 6 year olds as lazy eye generally goes undetected until it is too late to correct it.

It is hoped that parents will keep sick children at home so as not to expose well children to colds, sore throats and possible communicable diseases.

If your child has a communicable disease it should be reported to the school or nurse so it can be put in their school health records. These records go with the pupil from the time they enter school through high school.

I would like to take this opportunity to thank our Superintendent, School Board, Principal, Teachers and parents for their excellent cooperation during the past year.

Respectfully submitted,

EDITH E. KNOX, R.N.
School Nurse
